

This is the anti-Obamacare HCR referenced in Scott Largent's mailer which attacked Ed Emery. Note that this is not a bill - it's a non-binding resolution.

- Contrary to Largent's false accusation, Ed Emery DID NOT stand with Obama.
- Ed voted FOR the anti-Obamacare resolution.
- What Ed Emery voted AGAINST was an amendment that weakened the resolution by promoting an unconstitutional solution.
- The Democrats opposed the amendment because they opposed the whole HCR.
- Ed Emery opposed the amendment because he does not want ANY government control of our healthcare, either from Obama or Republicans.

## SECOND READING OF HOUSE BILLS

Fifth Day—Wednesday, January 13, 2010 Page 66

HB 1581 through HB 1602 were read the second time.

### COMMITTEE REPORT

**Special Standing Committee on General Laws**, Chairman Jones (89) reporting:

Mr. Speaker: Your Special Standing Committee on General Laws, to which was referred **HCR 18**, begs leave to report it has examined the same and recommends that it **Do Pass with House Committee Substitute**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

#### HOUSE COMMITTEE SUBSTITUTE FOR HOUSE CONCURRENT RESOLUTION NO. 18

WHEREAS, the current health care proposal being debated in the United States Congress will raise federal taxes and force new taxes on Missourians, which are detrimental to Missouri's economy; and

WHEREAS, Missouri families and employers may be facing even more mandates that drive up costs if the United States Congress passes the current health care proposal; and

WHEREAS, the federal government's attempt to reform health care has overwhelmingly centered around increasing eligibility to health care, but not addressing important issues such as increasing access, provider rates or quality of care; and

WHEREAS, the current health care proposal might allow the expenditure of public funds for abortions; and

WHEREAS, the current health care proposal works a substantial change to longstanding practices governing end of life decisions; and

WHEREAS, there has been a complete lack of transparency during the final negotiations to craft this legislation and special deals have already emerged that are going to put Missouri at a disadvantage; and

WHEREAS, the unfunded mandates and special deals will place greater pressure on Missouri taxpayers and put funding for education, mental health services, public safety, and all other essential state services at risk:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-fifth General Assembly, Second Regular Session, the Senate concurring therein, hereby **urge our Missouri Congressional delegation to vote against the current health care proposal** and to further request that our elected statewide officials express their respective positions on the passage of the current health care proposal and send a unified message to our Missouri Congressional delegation; and

BE IT FURTHER RESOLVED that the Missouri General Assembly urge our elected statewide officials to review the constitutionality of the current health care proposal, which includes several special deals for other states, including the "Nebraska kickback"; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for Governor Jay Nixon, President Barack Obama, the President of the United States Senate, the Speaker of the United States House of Representatives, and each member of the Missouri Congressional delegation.

The Harris Amendment No. 1 went here. Ed Emery voted against the amendment because it weakened the resolution by suggesting that Congress replace Obamacare with another Federal healthcare scheme. Ed doesn't believe the federal government should be involved in our healthcare at all. Ed voted FOR the overall resolution.

**After the amendment, it read** "urge our Missouri Congressional delegation to vote against the current health care proposal and develop health care reform that is affordable and accessible to all legal residents.";

# JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

---

SEVENTH DAY, TUESDAY, JANUARY 19, 2010

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Msgr. Donald W. Lammers.

Almighty God, Father of all, we thank You for raising up leaders like Dr. Martin Luther King, Jr., with his prophetic voice, speaking the truth of freedom as Your gift to every human person. And we thank You for the great advances of freedom and justice in our land during the last forty years.

May the quest for freedom and justice continue to drive us, as we work with the agendas before us this week. May the issues we consider and the plans we make be sources of advancing "liberty and justice for all."

We honor and adore You, our God and eternal Father forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Gracie Thomas and Julianna French.

Mr Speaker

Ed Emery was the only Republican who recognized that this amendment to an otherwise good HCR sent the wrong message to Congress. It implies that they should repeal Obamacare, but then replace it with another unconstitutional federal healthcare program.

RE: Possible Personal Interest in Legislation

Dear Mr. Crumbliss:

Pursuant to Section 105.461, RSMo, I am hereby filing a written report of a possible personal interest in legislation on which the House of Representatives may vote during the legislative session. Last year I accepted the position of Interim Chair of Missourians for Tax Justice (MTJ) following the death of their long-time Chair, Pat Martin. MTJ is a grassroots citizens advocacy organization, supporting a fair and balanced state tax structure that will produce adequate revenue for needed public services. I was a founding member of MTJ in the early 1990's.

For several sessions, I have sponsored the Tax Justice for a Healthy Missouri tax reform bill that was crafted by a coalition of organizations and individuals called together by MTJ. (In 2009, this was House Bill 567.) Although it is unlikely that this tax reform bill will come to the floor for debate, I wanted to disclose my membership and leadership in MTJ to meet the highest standards of openness and accountability as an elected official.

In compliance with Section 105.461, RSMo, please publish this letter in the Journal of the House. I thank you for your attention to this matter.

Sincerely,

/s/ Jeanette Mott Oxford  
Representative  
District 59
